

enkhuiser watersport vereniging 'almere'

The weekend of September 11th and 12th, it's time again for the coolest cup of the IJsselmeer: The **Enkhuisen Sportboat Cup 2021!**

We invite all sport boats based in the Netherlands and abroad to join us in this fantastic sailing event: short and intensive up- and downwind courses, perfect sailing conditions, good harbour facilities and an entertaining shore program in the nicest harbor city around the IJsselmeer.

The **Enkhuisen Sportboat Cup 2021**

is open for one design classes as Maxfun 25, Fareast 28, J70, J80 and Laser SB20.

Ofcourse, all 'light displacement' boats up to appr. 30 foot with a valid ORC certificate are welcome as always.

Starting this edition, we also welcome the Yinglings, Etchells, H-boats and other IJsselmeer-proof keel boats.

With sufficient entries, a separate start group and class prize ceremony can be negotiated for each class.

Do you want to attend the **Enkhuisen Sportboat Cup** with your entire class? Please contact us at [wedstrijdcommissie@ewva.nl](mailto:wedstrijdcommissie@ewva.nl).

The new website and on-line registration will be launched early spring 2021, we'll keep you posted!
